

7th European Windstorm Workshop

Karlsruhe Institute of Technology, 10-12 October 2018

List of participants

- Nicole Albern, Institute of Meteorology and Climate Research, Karlsruhe Institute of Technology
- Michael Angus, Geography, Earth and Environmental Sciences
- Bernd Dieter Becker, Met Office
- Richard Blender, Hamburg/Meteorological Institute
- Aidan Brocklehurst, Aon Benfield Impact Forecasting
- Dominik Büeler, Institute of Meteorology and Climate Research, Karlsruhe Institute of Technology
- Helen Dacre, University of Reading
- Madeleine-Sophie Déroche, AXA
- Silke Dierer, Axis Capital
- Ioana Dima-West, Willis Re
- Fadoua Eddounia, CoreLogic, Paris, France
- Florian Ehmele, Institute of Meteorology and Climate Research, Karlsruhe Institute of Technology
- Lea Eisenstein, Institute of Meteorology and Climate Research, Karlsruhe Institute of Technology
- Frauke Feser, Helmholtz-Zentrum Geesthacht
- Alexandros Georgiadis, Aon Benfield Im
- Jens Grieger, Institute of Meteorology, FU Berlin, Berlin, Germany
- Riccardo Hénin, Instituto Dom Luiz, Faculdade de Ciências da Universidade de Lisboa, Lisboa, Portugal
- Matthias Klawa, Deutsche Rückversicherung AG
- Oliver Krueger, Institute of Coastal Research, Helmholtz-Zentrum Geesthacht
- Ivan Kuhnel, CoreLogic, Paris, France
- Hilke Lentink, Institute of Meteorology and Climate Research, Karlsruhe Institute of Technology

- Giovanni Leoncini, Zurich Insurance Company Plc
- Margarida L. R. Liberato, Universidade de Trás-os-Montes e Alto Douro
- Robin Locatelli, AXA, Paris, France
- Patrick Ludwig, Institute of Meteorology and Climate Research, Karlsruhe Institute of Technology
- Gert-Jan Marseille, KNMI
- David McNamara, Lloyds Banking Group
- Niklaus Merz, PartnerRe, Catastrophe Research, Zurich
- Stefanie Meul, Verisk Analytics/AIR Worldwide
- Gregor Pante, Institute of Meteorology and Climate Research, Karlsruhe Institute of Technology
- Florian Pantillon, Institute of Meteorology and Climate Research, Karlsruhe Institute of Technology
- Georgios Papavasileiou, Institute of Meteorology and Climate Research, Karlsruhe Institute of Technology
- Sam Phibbs, Willis Re
- Joaquim Pinto, Institute of Meteorology and Climate Research, Karlsruhe Institute of Technology
- Matthew Priestley, University of Reading
- Lisa-Ann Quandt, Institute of Meteorology and Climate Research, Karlsruhe Institute of Technology
- Julian Quinting, Institute of Meteorology and Climate Research, Karlsruhe Institute of Technology
- Christoph Raible, OCCR, University of Bern
- Hugo Rakotoarimanga, AXA GIE
- Alexandre M. Ramos, Instituto Dom Luiz (IDL), University of Lisbon, Portugal
- Marco Reale, ICTP/OGS, Trieste, Italy
- Alexander Reinbold, Institute of Meteorology and Climate Research, Karlsruhe Institute of Technology
- Bernhard Reinhardt, Verisk Analytics, AIR Worldwide, Germany
- Dominik Renggli, Cat Perils, Group Underwriting, Swiss Re
- Stefan Ritz, Tokio Millennium Re AG
- Matthias Schmid, Guy Carpenter
- Mareike Schuster, Freie Universität Berlin
- Len Shaffrey, National Centre for Atmospheric Science, University of Reading

- Marc Simon, Model Development, Karen Clark and Company, Boston, United States of America
- David Stephenson, University of Exeter
- Bogdan Tautan, Achmea Reinsurance Company
- Uwe Ulbrich, Freie Universität Berlin
- Alexander Vessey, University of Reading
- Aiko Voigt, Institute of Meteorology and Climate Research, Karlsruhe Institute of Technology
- Karel Vojak, Aon Benfield, Analytics, Prague, Czech Republic
- Michael A. Walz, University of Birmingham, UK
- Daniel Ward, Karen Clark and Co
- Alan Whitelaw, CGI IT UK Limited
- Simon Wild, Barcelona Supercomputing Center
- Katja Woth, Helmholtz Zentrum Geesthacht, Institute for Coastal Research
- Philipp Zschenderlein, Institute of Meteorology and Climate Research, Karlsruhe Institute of Technology
